

## Attention ALL Pool Owners

Please note:

- Chlorine/Bromine & Salt are forbidden from entering the city storm sewers.
- You must remove Chlorine/Bromine (dechlorinate) before pumping pool water into the storm sewer or public property (roadways).
- Home owners can be fined if in violation.
- Check with your local municipality for new laws in your area.
  - Greater Ottawa area customers please check out link [http://poolarama.ca/pdfs/CityofOttawa\\_1.pdf](http://poolarama.ca/pdfs/CityofOttawa_1.pdf)
- Poolarama has available a complete line of dechlorination equipment and chlorine neutralizers.
  - Now available - JUSTFLO™ Dechlorinator (patent pending) to remove chlorine from pool discharges.
